Level 1 Level 2 Level 3

Application Services		
	- Applications Advisory & Consulting Services	
	- Applications Architecture Services	
	- Appllications Automation & Orchestration	
	Services	
	- Applications Container Services	
	- Applications Customization Services	
	- Applications Engineering Services	
	- Applications Human Centered Design /	
	Graphical User Interface (GUI) Design	
	- Applications Integration Services	
	- Applications Migration Services	
	- Applications Modernization Services	
		ss-Oriented Language
	(COBOL) Programm	
	Fortan Programm	ning Language
	- Applications Serverless Services	
Business Services		
	- Acquisition Services	
	- Advisory & Consulting Services (Business)	
	- Business Management Services	
	- Customer Relations Management (CRM)	
	Services	
	- Financial Services	
	- Human Resources Services	
	- Market Research Services	
	- Organization Change Management Services	
	- Program Management Services	
	- Risk Management Services	
Documentation Services	Tarketa Makka Cardan	
Documentation Services	- Technical Writing Services	
Documentation Services	- Technical Writing Services - Content Management Services	
Documentation Services  Engineering Services	- Content Management Services	
	- Content Management Services  - Automation & Orchestration Engineering	Automation (DDA) Consisce
	- Content Management Services  - Automation & Orchestration Engineering  Robotic Process A	Automation (RPA) Services
	- Content Management Services  - Automation & Orchestration Engineering Robotic Process A - Container Architecture Engineering	Automation (RPA) Services
	- Content Management Services  - Automation & Orchestration Engineering Robotic Process / - Container Architecture Engineering - Computer Aided Design (CAD) Services	Automation (RPA) Services
	- Content Management Services  - Automation & Orchestration Engineering Robotic Process A - Container Architecture Engineering - Computer Aided Design (CAD) Services - Discovery Services (Assets)	
	- Content Management Services  - Automation & Orchestration Engineering Robotic Process A - Container Architecture Engineering - Computer Aided Design (CAD) Services - Discovery Services (Assets) Application Ratio	
	- Content Management Services  - Automation & Orchestration Engineering Robotic Process A - Container Architecture Engineering - Computer Aided Design (CAD) Services - Discovery Services (Assets) Application Ratio - Engineering Advisory & Consulting Services (IT)

Managed Services		
	- Asset Management	
	Ü	Data / Information Management
		Software License Management
	- Automation & Orchestration Service	<u> </u>
		Robotic Process Automation (RPA) Services
	- Identify Access Management (IAM) Services	, ,
	- Incident Management Services	
	- Monitoring Services	
	- Operations & Maintenance (O&M)	
	- Optimization Services	
Miscellaneous Services		
	- Internet of Things (IoT) Services	
ecurity Services		
	- Security Audit Services	
	- Security Assessment and Authorization	
	<ul> <li>Security Engineering Services</li> </ul>	
	- Security Incident Management Services	
		Security Incident Remedation Services
	- Security Investigation & Forensic Services	
	- Security Testing Services	
esting Services		
	<ul> <li>Application Testing Services</li> </ul>	
	- Human Centered Design / Graphical User	
	- Integration Testing Services	
	- Performance Testing Services	
	- Systems Testing Services	
Training Services		
	- Certification Training Services	
	- Computer Based Training Services	
	- Instructor Based Training Services	
	<ul> <li>Training Course Development Services</li> </ul>
