Submitted 17 June 2024

Responses Due: 2 July 2024, 5:00 PM ET

### **REQUIREMENT**

60<sup>th</sup> Maintenance Group at Travis AFB, CA is seeking potential sources to acquire Web Developer and information technology (IT) services. The anticipated North American Industry Classification System (NAICS) Code for this requirement is 541511 Custom Computer Programming Services.

### **THIS IS A SOURCES SOUGHT FOR INFORMATIONAL PURPOSES ONLY**

This Sources Sought is to determine the availability of businesses to include small businesses (including the following subsets, Small Disadvantaged Businesses, HUBZone Firms; Certified 8(a), Service-Disabled Veteran-Owned Small Businesses and Woman Owned Small Business) to provide the required products and/or services.

This Request for Information (RFI) Sources Sought does not constitute a Request for Quote (RFQ) or a promise to issue a future RFQ. This Sources Sought does not commit the Government to contract for any supply or service. Further, **the Air Force is not currently seeking proposals** and will not accept unsolicited proposals. Responders are advised the Government will not pay for any information or administrative costs incurred in response to this RFI. All costs associated with responding to this RFI will be solely at the interested party's expense. Not responding to this RFI does not preclude participation in any future RFQ, if issued.

**THIS IS A SOURCES SOUGHT ONLY** to identify sources that can provide a Web Developer Services at Travis AFB, CA. The information provided in the Sources Sought is subject to change and is not binding on the Government. Travis AFB has not made a commitment to procure any of the items discussed, and release of this Sources Sought should not be construed as such a commitment or as authorization to incur cost for which reimbursement would be required or sought. All submissions become Government property and will not be returned.
